### **Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated financial statements of the Prostate Cancer Foundation, which comprise the consolidated statement of financial position as of December 31, 2015 and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

### **Management's Responsibility for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Prostate Cancer Foundation as of December 31, 2015, and the changes in its consolidated net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

To the Board of Directors  
Prostate Cancer Foundation

**Report on Summarized Comparative Information**

We have previously audited Prostate Cancer Foundation's 2014 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated June 9, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2014 is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 31, 2015

### NOTE 1 - NATURE OF ORGANIZATION

The Prostate Cancer Foundation is the world's leading philanthropic organization funding and accelerating research for better treatments and cures for prostate cancer.

The Coalition to Cure Prostate Cancer (the Coalition) was incorporated under the Canada Corporations Act during April 2011. The Coalition was granted charitable registration effective June 15, 2011. The Coalition's mission is to pursue research and clinical studies related to prostate and related cancers and to disseminate research reports and other educational materials related to such cancers.

The Coalition is an affiliate of the Prostate Cancer Foundation. Pursuant to the terms of a service agreement, the Prostate Cancer Foundation has agreed to provide certain pro bono services to the Coalition, including communications and fundraising support, program service and financial administration, and facilities. In addition, the Prostate Cancer Foundation has extended a guaranty to the Coalition for up to a maximum of \$100,000 to ensure that the Coalition will be able at all times to fund research awards approved by the Coalition's Board of Directors.

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### (a) PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the accounts of the Prostate Cancer Foundation and the Coalition to Cure Prostate Cancer (collectively, the Foundation). All inter-organization balances and transactions have been eliminated on consolidation.

#### (b) BASIS OF PRESENTATION

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting.

#### (c) ACCOUNTING

To ensure observance of certain constraints and restrictions placed on the use of resources, the accounts of the Foundation are maintained in accordance with the principles of net assets accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into net asset classes that are in accordance with specified activities or objectives. All financial transactions have been recorded and reported by net asset class as follows:

- **Unrestricted.** These generally result from revenues generated by receiving unrestricted contributions, providing services, and receiving income from investments less expenses incurred in providing program related services, raising contributions, and performing administrative functions.

# PROSTATE CANCER FOUNDATION

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 31, 2015

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (c) ACCOUNTING (continued)

- **Temporarily Restricted.** The Foundation reports gifts of cash and other assets as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from purpose or time restrictions. Restricted contributions whose restrictions are met in the same reporting period are treated as unrestricted contributions. The Foundation had \$4,584,000 of temporarily restricted net assets at December 31, 2015.
- **Permanently Restricted.** These net assets are received from donors who stipulate that resources are to be maintained permanently, but permit the Foundation to expend all of the income (or other economic benefits) derived from the donated assets. The Foundation had no permanently restricted net assets at December 31, 2015.

#### (d) CASH AND CASH EQUIVALENTS

Cash and cash equivalents are short-term, highly liquid investments with maturities of three months or less at the time of purchase. The carrying value of cash and cash equivalents at December 31, 2015 approximates its fair value.

The Foundation maintains its cash and cash equivalents in bank deposit accounts and other investment accounts, which, at times, may exceed federally insured limits. The Foundation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

#### (e) GRANTS, CONTRIBUTIONS AND PLEDGES RECEIVABLE

Unconditional grants and contributions, including pledges recorded at fair value, are recognized as revenues in the period received. The Foundation reports unconditional grants and contributions as restricted support if they are received with donor stipulations that limit the use of the donated assets. Conditional promises to give are not included as revenue until such time as the conditions are substantially met. Management evaluated the collectability of pledges receivable and provided an allowance for uncollectible pledges of \$500,000 at December 31, 2015.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2015

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (f) PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost if purchased or at fair value at the date of donation if donated. Depreciation and amortization are provided on a straight-line basis over the estimated useful lives of the related assets as follows:

Computer Software		3 Years
Leasehold Improvements	Shorter of Lease Term or	10 Years
Computer and Office Equipment		3 - 5 Years
Furniture and Fixtures		7 Years

Expenditures for repairs and maintenance are charged to operations when incurred while renewals and betterments are capitalized.

#### (g) LONG-LIVED ASSETS

The Foundation reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the book value of the assets may not be recoverable. An impairment loss is recognized when the sum of the undiscounted future cash flows is less than the carrying amount of the asset, in which case a write-down is recorded to reduce the related asset to its estimated fair value. No impairment losses were recognized on long-lived assets during the year ended December 31, 2015.

#### (h) DEFERRED REVENUE

Sponsorships are recognized and reported in the period the related event is held. Sponsorships collected in advance of the event are recorded as deferred revenue.

#### (i) GRANTS

Research grants are charged against operations when authorized by the Scientific Review Committee. The actual payment of the grant may not occur in the year of authorization.

#### (j) INCOME TAXES

The Prostate Cancer Foundation is exempt from federal taxation under Internal Revenue Code Section 501(c)(3) and the corresponding California provisions. The Coalition has met the requirements for charitable registration and tax exemption under the Income Tax Act of Canada.

# PROSTATE CANCER FOUNDATION

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS December 31, 2015

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (k) FOREIGN CURRENCY

The accounts of the Coalition are maintained in its functional currency, which is the Canadian dollar. Assets have been translated into the reporting currency at year end exchange rates, and related revenues have been translated at average rates of exchange in effect during the year. The currency exchange loss resulting from the translation amounted to \$67,424 and is included in other income (loss) in the consolidated statement of activities for the year ended December 31, 2015.

#### (l) FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the Foundation's programs and other activities have been presented in the consolidated statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit.

#### (m) USE OF ESTIMATES

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### (n) COMPARATIVE TOTALS

The consolidated financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Such information should be read in conjunction with the Foundation's consolidated financial statements for the year ended December 31, 2014 from which the summarized information was derived.

#### (o) SUBSEQUENT EVENTS

The Foundation has evaluated events and transactions occurring subsequent to the consolidated statement of financial position date of December 31, 2015 for items that should potentially be recognized or disclosed in these consolidated financial statements. The evaluation was conducted through April 26, 2016, the date these consolidated financial statements were available to be issued. No such material events or transactions were noted to have occurred.
